Environmental Health Section 2018 Scholarships

The Environmental Health Section of the NCPHA awards a small scholarship to a deserving Environmental Health Specialist who is working on expanding his or her Environmental Health knowledge, skills, and professionalism. Professional development is critically important to the sustainability of an educated and trained Environmental Health workforce. Information needed to complete the application is on the application form. Thank you for applying.

Practicing Environmental Health Specialist Scholarship (\$300 per year)

1. Applicant must be a practicing Environmental Health Specialist in North Carolina.
2. Applicant must be a current member of NCPHA and the Environmental Health Section of NCPHA
3. Course work must be related to the professional environmental health field.

The applications are due June 30, 2018, and these scholarships will be awarded at the Fall Educational Conference in September.
