Dear Potential Sponsor:

Greetings! The Environmental Health Section of the North Carolina Public Health Association (NCPHA) would like to invite you to attend the 78<sup>th</sup> Annual Interstate Environmental Health Seminar on November 12-14, 2024 at the Lumina Resort in beautiful Wrightsville Beach, NC. The theme of this year's seminar is "A New Era for Environmental Health: Bridging the Gap", with a focus on challenges facing environmental health in a post-pandemic world, and new innovations helping move programs forward into the future.

The Interstate Environmental Health Seminar is an annual educational conference which originated in West Virginia in 1946. The goal of the annual seminar is to promote education, training, and the sharing of ideas within the environmental health community. The annual seminar is hosted by a member state on a rotating basis and is open to all environmental health professionals. Member states include Alabama, Georgia, Kentucky, Maryland, North Carolina, South Carolina, Tennessee, Virginia, and West Virginia.

Your participation in the 78<sup>th</sup> Annual Interstate Environmental Health Seminar will connect you with professionals and industry experts who are engaged and ambitious about promoting the ideals of environmental health in the communities we serve. Your company will gain exposure to environmental health professionals in both public and private sectors - the target audience you need to establish the right connection to help achieve your business goals. In addition, your brand and products will be directly in front of more than 150 potential partners and customers – with indirect reach to thousands of consumers and business owners across member states. Don't miss this opportunity to showcase your organization to potential clients face-to-face and demonstrate your services!

Enclosed you will find a sponsorship fee schedule detailing the various levels of sponsorship available. NCPHA is a non-profit organization (federal tax ID 560786947) and proceeds from the seminar will help NCPHA provide scholarships to members and students. Please do not hesitate to contact me if you have any questions. Thank you in advance for your sponsorship and support.
